Tour Itinerary

Your guide meets you at the agreed meeting point in Banjul and the tour gets underway.

Climb to the top of Arch 22, the striking monument that has become the symbol of modern Banjul, for a sweeping view over the rooftops and the Atlantic beyond.

11:00 AM : National Museum

A guided walk through the National Museum brings Gambian history to life, from archaeology and everyday traditions to the story of independence.

Albert Market rewards a slow wander: fabrics in every colour, fragrant spice stalls, fresh produce and handmade crafts, traded here the way they have been for generations.
