Tour Itinerary

10:00 AM : Meet & Greet

Your guide meets you at the agreed meeting point and the tour gets underway.

10:30 AM : Serekunda Market

The stalls of Serekunda Market spill into every side street, trading fresh produce, traditional dress and handicrafts in one of West Africa's liveliest markets.

11:15 AM : Community Recycling Centre

At the community recycling centre, discarded materials are given a second life as furniture, toys and art, a small but telling example of local resourcefulness.

11:45 AM : Timber Market

The Timber Market hums with the sound of saws and hammers, where craftsmen shape wood into furniture and household goods right in front of you.

12:15 PM : Vegetable & Souvenir Market

Stalls of vegetables give way to souvenir tables piled with masks, jewellery and fabric, a good spot to pick up a gift or two.

1:00 PM : Musukebba Drammeh Batik & Tie-Dye Factory

Skilled artisans at the Musukebba Drammeh factory demonstrate the wax and dye techniques behind traditional Gambian batik, with fresh fabric drying in the sun all around the workshop.
